

Founded in 2011, **Command Services & Support, Inc. (CMDSS)** brings decades of corporate expertise & experience to our customers, delivering mission critical services in the Department of Defense and Department of Justice communities. At CMDSS, our client’s mission and needs become our own at every level. Objectives are thoroughly understood. Solutions are delivered with meticulous execution. Goals are surpassed. Our highly credentialed, accomplished workforce is defined by integrity and focus. We get the job done. As your committed industry partner, this is our approach, and our promise: **Engage. Excel. Exceed.** The leadership team and expertise of all of the staff at CMDSS permit us to offer our customers the capabilities of a larger enterprise at the cost and dedication to mission of a smaller enterprise.
